The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATION AND LEVYING OF ASSESSMENTS FOR  
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND  
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,  
AND EXCHANGE OF PROPERTY TAX REVENUES FOR  
SUBDIVISION TERRITORIES  
SUPERVISORIAL DISTRICTS 1 AND 5  
3 VOTES**

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the enclosed Resolution of Intention to Annex Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to Order the Levying of Assessments within Annexed Territories, whose areas and locations are identified on the enclosed maps and listed in the enclosed Appendix A, for Fiscal Year 2006-07.
2. Set a date for a public hearing regarding the proposed annexation of subdivisions and levying of annual assessments based on the Fiscal Year 2005-06 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate of \$5 for a single-family home for the Unincorporated Zone.

3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of \_\_\_\_\_. The mailed notice will include assessment ballots.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:**

1. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
2. Determine whether a majority protest against the proposed annexation or assessment exists.
3. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation of Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Levying of Assessments within the Annexed Territories for Fiscal Year 2006-07, either as proposed or as modified by your Board, except the annexations and the exchange of property tax revenues shall not be effective until the final subdivision maps are filed with the Registrar-Recorder/County Clerk, and the legal descriptions for the annexation areas are approved as to definiteness and certainty by the County Assessor. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2006-07.
4. Adopt the enclosed Joint Resolutions between your Board and other taxing agencies Approving and Accepting the Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 1687, as approved by the other nonexempt taxing agencies.
5. Find that the annexation and assessments are to meet operating expenses; purchase supplies, equipment, or materials; meet financial reserve needs and requirements; and obtain funds for capital projects, including the operation and maintenance of street lights necessary to maintain service within the proposed annexation areas.
6. Instruct the Executive Officer of the Board to file copies of the enclosed Resolutions with the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).

7. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings in those subdivisions where the proposed annexation and levying of assessments have been rejected as a result of a majority protest.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

These recommended actions are for the Board to Annex the subdivisions listed in Appendix A into County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, levy assessments on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received, and approve the exchange of property tax revenues between County Lighting Maintenance District 1687 and those nonexempt agencies whose service areas are subject to the jurisdictional change.

County ordinance requires the installation of a street lighting system by a developer. The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights.

#### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levy of assessments, and property tax transfer provides the funding necessary for the operation and maintenance of new street lighting facilities within these annexed subdivisions.

#### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Fiscal Year 2005-06 budget for County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, to cover the annual operation and maintenance costs of the street lights until property tax revenue can be collected. The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex the territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of a County-administered Lighting District and will result in the project not being allowed to record or being issued a Certificate of Occupancy or result in property owners/developers remaining responsible for the operation and maintenance of the street lights.

Upon annexation, the ongoing operation and maintenance costs of the street lights within the annexed areas will be financed by the collection of ad valorem property taxes, supplemented by assessments annually approved by the Board. The annexation will result in a minimal property tax growth transfer from County agencies, such as the County General Fund, County Library, County Fire Department, County Road Districts 1 and 5, and the County Flood Control District, to County Lighting Maintenance District 1687.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The Streets and Highways Code (Sections 5821.3 and 22608.2) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required. However, under the provisions of Proposition 218, a public hearing is required when a new or increased assessment is proposed.

Under Proposition 218 (State Constitution, Articles XIII C and XIII D), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefited properties within County Lighting District LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel from the improvements. A method of distributing the street lighting costs based on land use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2005-06 Annual Engineer's Report on file with Public Works.

Affected agencies must approve and accept the exchange of property tax revenues pursuant to Section 99.01 of the Revenue and Taxation Code by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The Joint Resolution Approving and Accepting the Exchange of Property Tax Revenues approved by other affected nonexempt agencies is enclosed for your consideration.

Following the Board's approval of the annexation, levy of assessment, and exchange of property tax revenues, we will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The boundary of the proposed annexation has been reviewed and approved by the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code. Copies of diagrams showing the boundaries of each proposed annexation territory is included with the Resolution of Intention.

The enclosed Resolutions have been approved as to form by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

This project is exempt from the California Environmental Quality Act under Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

At such time as these recommendations may be approved, please return one approved copy of this letter and the signed Resolutions to Public Works and one approved copy of the letter and the signed Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).

BOARD OF SUPERVISORS  
RESOLUTION OF INTENTION TO ANNEX  
SUBDIVISION TERRITORIES TO  
COUNTY LIGHTING MAINTENANCE DISTRICT 1687  
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,  
AND TO ORDER THE LEVYING OF ASSESSMENTS  
WITHIN THE ANNEXED TERRITORIES FOR  
FISCAL YEAR 2006-07**

WHEREAS, on July 24, 1979, the Board of Supervisors of the County of Los Angeles approved the formation of County Lighting District LLA-1 to provide supplemental funds for the operation of street lights in County-administered lighting districts; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2005-06 Annual Engineer's Report that shows estimated operating costs and recommended assessments for each zone within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (Section 5821.3 of the Streets and Highways Code) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice or hearing; and

WHEREAS, the Landscape and Lighting Act of 1972 (Section 22608.2 of the Streets and Highways Code) provides that in the event an ordinance requires installation of improvements by a subdivider, the territory may be annexed to an existing lighting district without notice and hearing or filing of an Engineer's Report or both; and

WHEREAS, Articles XIIC and XIID of the California Constitution provide that the notice, protest, and hearing requirements imposed by Section 53753 of the Government Code supercede any statutory provisions applicable to the levy of a new or increased assessment.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the subdivision territories listed in Appendix A to County Lighting Maintenance District 1687, pursuant to Section 5837 of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of subdivision territories listed in Appendix A to County Lighting District LLA-1, pursuant to Section 22605 of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for proper operation and maintenance of proposed street lights within the proposed annexation territories and located in County Lighting District LLA-1, Unincorporated Zone, shall be assessed in Fiscal Year 2006-07 upon each lot or parcel of land lying within the annexed territory based on land-use categories that designate usage units on the basis of benefits received as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The proposed base assessment rates are shown in the Fiscal Year 2005-06 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same proportional increases are proposed for all other benefited property uses in the territory.

SECTION 4. The boundaries of the territories proposed to be annexed are shown on the attached maps.

SECTION 5. The proposed assessment is subject to approval of the property owners. A ballot and public hearing notice will be sent to the property owners within the area proposed for annexation at least 45 days prior to the date of the public hearing. The ballots will be weighted by the amount of assessment to be paid by each property owner. The subdivision territories will not be annexed, and the proposed assessment for that subdivision will be abandoned if the weighted majority of the ballots returned are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article XIID of the California Constitution.

SECTION 8. Tuesday, \_\_\_\_\_, at 9:30 a.m., is the day and hour of the public hearing, at the Chambers of the Board of Supervisors of the County of Los Angeles, in Room 381B of the Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street and Grand Avenue), Los Angeles, California 90012, the place fixed by said Board of Supervisors when and where any and all interested persons may hear the proposal and be heard regarding the proposed street lighting assessments in the territory proposed for annexation to County Lighting District LLA-1.

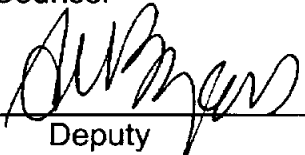

The foregoing Resolution was on the \_\_\_\_ day of \_\_\_\_\_, 2005, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio of the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.
